White Phosphor Trade-Up Program

Thank you for your interest in ASU's Trade-Up Program. The following process describes the steps you can expect if you choose to participate in this program. ASU can accept AN/AVS-9 and AN/AVS-6 NVGS from L3 (M949) or Harris/ITT/Exelis (F4949) with class A, B, or C objective lenses.

New goggles will be a one-for-one exchange for your trade-in and come with manual and lens caps (no case or mount). NVGs eligible for trade-up must have a "readable" manufacturer serial number affixed to the NVG housing and pass a 180-day day inspection.

TRADE-UP PROCESS

1. Email ASU a signed purchase order to include:
 - › Make of NVGs to be traded in (EX: Exelis, Harris, ITT, L3 Litton,)
 - › Model of NVGs to be traded in (EX: AN/AVS-9, AN/AVS-6)
 - › Manufacturer Serial Number
2. Send goggles to ASU within 7 days
 - › Send your NVGs in a shipping or storage case (pack storage cases in a shipping box)
**Shipping and storage containers will be returned with your new NVGS*
 - › Include lens caps and operator's manual
 - › Include hard-copy of your signed PO
 - › Write the RMA number provided by ASU on the outside of the box
 - › Ship the NVGs to:

Aviation Specialties Unlimited
ATTN: Trade-Up Program
4632 W. Aeronca St.
Boise, ID 83705

3. Upon Receipt of trade-up goggles, ASU will evaluate your NVGs within 72 hours and send the customer a Trade-In Goggle Evaluation and a Transfer of Ownership form. Customer is to sign and email the Transfer of Ownership form back to the ASU sales representative.
