SPONSORSHIP OPPORTUNITIES –

Sponsoring the Helitech NVG Working Group panel discussion is an easy way to introduce your organization to a growing group of proactive operators, regulators, and industry professionals that are blazing the trail to safer and more effective NVG operations in Europe and beyond. Your support demonstrates your dedication to the advancement of this life-saving technology and will help cover the cost of the room and refreshments.

A limited number of sponsors are available on a first-come, first-serve basis. Our sponsors will receive special recognition during the event, brand placements and opportunities to address the group. **Please complete the sponsorship form and submit to spokorney@asu-nvg.com by September 14, 2018.**
